

BTC 6301

Low Profile Multimedia Keyboard

The 6301's slim, clean and simple stylish is a perfect compliment to today's stylish PC system and also makes it a perfect match for today's sleek LCD displays and peripherals. By integrating low profile keys in standard 104 key keyboard layout, the 6301 is able to deliver high performance, excellent tactile feeling and superior typing comfort in a low profile design. There is no need to install any special drivers, so you just plug in the 6301 and start using it immediately. The 6301 is the perfect choice for users who require a keyboard that both looks great and delivers high performance and functionality.

Features

- ✍ Slim, clean and simple stylish is a perfect compliment to today's stylish PC systems and a perfect match for today's sleek LCD displays and peripherals.
