

6309URF

Wireless Compact Keyboard and Mouse Kit

The 6309URF wireless keyboard and mouse kit is a fashionable input device designed for desktop PCs.

This brand new wireless keyboard bundled with a

wireless optical mouse not only enables efficient input but also highlights the overall visual appeal and classy style of the computer. The 6309URF is an excellent combination of functionality and beauty.

The low profile keycaps provide excellent tactility for maximum typing comfort, and the standard keyboard is arranged ergonomically with the finest workmanship on the compact sized keyboard, which makes 6309URF an ideal mate for desktop computers. The 6309URF communicates with the PC via a 27MHz wireless link, keeping the desktop pleasingly uncluttered. It further provides 12 hotkeys for quick access to multimedia functions and Internet navigation. For users demanding efficiency, quality and aesthetics, the 6309URF wireless keyboard and mouse kit is absolutely the best choice.
