

9039URF III MCE

Wireless Media control Keyboard with TrackBall

9039URF III gives you three functions in a compact and sleek form factor, one wireless keyboard, one track point mouse and one MCE remote. It is a low profile and compact multi-media keyboard. It has 16 hotkeys that enable you to control your TV and multi-media

functions easily and conveniently. Three devices built-in one keyboard gives you the freedom to remotely control your Media Center PC. You could sit on the couch in the living room and have the ability to interact with your MCE PC up to 10m away..

9039URF III is an extremely comfortable yet durable keyboard with excellent tactile feedback in a sleek and ergonomic design. Command your Media Center PC from the comfort of your sofa.
