

9089URF III

2.4GHz Stylish Wireless Keyboard and Mouse kit

The 9089URF III wireless keyboard and mouse kit is a fashionable and utility input device designed for desktop PCs. This brand new wireless keyboard bundled with a wireless laser mouse not only enables efficient input but also highlights the overall

visual appeal and classy style of the computer. The 9089URF III is an excellent combination of functionality and beauty.

The low profile keycaps provide great tactility for maximum typing comfort, and that is arranged ergonomically with the finest workmanship on the regular sized keyboard, which makes 9089URF III an ideal mate for desktop computers. The 9089URF III communicates with the PC via 2.4GHz wireless link, keeping the desktop pleasingly uncluttered. It further provides 10 hotkeys for quick access to multimedia functions and Internet navigation. For users demanding efficiency, quality and aesthetics, the 9089URF III wireless keyboard and mouse kit is absolutely the best choice.
