

## 9089URF

### Stylish Wireless Keyboard and mouse kit

The 9089URF wireless keyboard and mouse kit is a fashionable and utility input device designed for desktop PCs. This brand new wireless keyboard bundled with a wireless optical mouse not only

enables efficient input but also highlights the overall visual appeal and classy style of the computer. The 9089URF is an excellent combination of functionality and beauty.

The low profile keycaps provide excellent tactility for maximum typing comfort, and that is arranged ergonomically with the finest workmanship on the regular sized keyboard, which makes 9089URF an ideal mate for desktop computers. The 9089URF communicates with the PC via 27MHz wireless link, keeping the desktop pleasingly uncluttered. It further provides 10 hotkeys for quick access to multimedia functions and Internet navigation. For users demanding efficiency, quality and aesthetics, the 9089URF wireless keyboard and mouse kit is absolutely the best choice.
