

Multimedia HDD Enclosure

- Play music, high resolution photo, and video
- Support Slide show, and Background Music Play
- Support various multimedia formats
- Support DVD navigation function
- Upscale video quality to 480p, 576p, and 720p
- As an external USB HDD of PC through USB Device port
- Support NTSC and PAL video output
- Support both NTFS and FAT32 file system
- Support 3.5" SATA interface HDD

Technical Specifications:

- Physical Dimension 136.6(H) x 207.5(D) x 44.3(W) mm
- Weight 0.61 kg (with Hard disk drive)
- Front Key Panel Power Button
- Remote Control IR Remote Control
- Video Output Composite Video: 480i, and 576i
Component Video: YPbPr (480i, 480p, 576i, 576p, and 720p)
- Audio Output Analog 2 Channels
- Playback Format Photo: JPG, BMP, PNG, GIF
Music: MP3, WMA, WAV
Video: MPEG 1/2, Divx 3.1, 4.12, 5, 6;
AVI, VOB, MPG, DAT, Xvid
Subtitle: srt, sub, ssa, ass, psb
- HDD Support 3.5" SATA interface
- File System Support FAT32 & NTFS
- USB Interface USB 2.0 Device (Type B x1)
- Power AC/DC Adapter
Input: AC100V~240V, 50/60HZ 0,65A
Output: DC +12V, 2A
- OSD Language Chinese (simplified/traditional), English, French, German, Italian, Japanese, Korean, Polish, Portuguese, Spanish (Asia language are optional)

- USB Device Port
- AV Out
- Component Video Out
- DC In
